WORK EXPERIENCE

<i>Present</i> JUNE 2012	IT Manager at ORCHARD HOUSE NURSING HOME, Wolverhampton <i>First Care Services Limited</i> Managing a team of technical staff. Strengthening the IT infrastructure through to implementing new technologies. Responsible for hardware and software installations, maintenance and repairs.
JUNE 2010 - SEP 2010	Researcher at UNIVERSITY OF BIRMINGHAM, United Kingdom Under the leadership of Professor Russell Beale we investigated syntactic alignment in human computer dialogue. The research proposal looked at how system design impacts our impressions and our alignment with computers in human computer dialogue. The analysis of results was used in preparations for a HCI conference by conducting controlled experiments using a language game as the task for participants.
SEP 2010 - JULY 2011	Technology Editor at REDBRICK NEWSPAPER, University of Birmingham Developed Adobe InDesign templates for technology articles on trends on a wide array of areas (mobile, online & graphical), managed a blog and articles on latest computer technologies, liaised with senior editors on structuring of newspaper.
